## A Note to Realtors

I would like to welcome you to the Bonita National Golf & Country Club community. Below is essential information about our community. I encourage that you arrange a tour of our amenities.

Bonita National is a Bundled Golf Community, and all homes are deeded as either **SOCIAL** or **GOLF & SOCIAL**. Please note the following important details:

- It is not possible to upgrade from a Social Membership to a Golf Membership or to change a Social home to a Golf home if the property is not deeded with Golf.
- Golf Memberships are deeded to specific properties (details can be found on page 6 of the packet provided).
- Social Members can only become Golf Members by purchasing a property with a Golf deed.

We strongly encourage all buyers to thoroughly review Bonita National's Rules, Regulations, and policies, as this information is vital to understanding our community's guidelines and expectations.

A complete set of club documents, including Declarations, Bylaws, and Rules & Regulations, is available through the seller.

If you need additional information or clarification, please don't hesitate to contact me directly. I'm here to assist and ensure you have all the resources you need. Additionally, please be aware that our Resale Application process requires:

- **A \$150.00 non-refundable resale application processing fee, payable to Bonita National HOA.**
- Submission of the completed application to the Bonita National Admin Office at least **30 days prior to the sale.**

I'd love to showcase everything Bonita National has to offer. Please feel free to contact me to

Warm regards,
